

Bible Reading Plan

Goal:

To encourage consistent fellowship with our Lord in the Word resulting in a Christ-centered identity and influence. This fellowship is an intimate time in which God speaks and we respond.

Method:

To read through the entire Bible in a year. As implied above, this Bible reading plan should not be seen as a laborious task that must be completed every day. Rather, it should be seen as a MEANS by which we encourage consistency in our fellowship with God.

Spiritual Growth:

The Bible

The Bible, through the power of the Holy Spirit, is the primary way God communicates with us today. In light of this, spiritual growth, in the context of a relationship, should center around a steady diet of God's Word. This intake will be the communication from God to the believer. Additionally, it will be important not only to hear from our Father, but to respond to what he is saying in praise and obedience.

Basics of Interpretation

There are three keys to understanding what you're reading in the Bible as you fellowship with God:

The Bible has one main message: **God, the main character, sends Jesus his Son and the Hero to redeem people from their sins for His glory.** Every passage you read points to this main message.

Understanding the **genre of Scripture** is essential for interpretation. The Bible includes law, prophetic material, history, letters and apocalyptic literature- each of them contribute to this main message in a special way. Understand what type of Scripture you are reading before you read it. You can consult a good study Bible for help with this.

Every passage has an **intention from the author.** While the Bible was written by men, through the process of inspiration it was also written by God. Try to discern what the author is trying to say about this main message.

Questions for Daily Reading

Spiritual Growth happens when the believer Knows God more intimately, Loves God more passionately and Obeys God more intentionally.

Key Questions:

Knowing God – What is the author telling us about God and His plan of redemption in Jesus? Try to boil the meaning down to succinct statements in your journal.

Loving God - How can I praise and worship God better after reading this passage? Write out your praise to God in the first and second person, “God I praise You for Your loving-kindness.”

Obedying God-In light of what I’ve learned, what should I do differently? Is there a thought, attitude or action I need to repent of? Be Specific!

Key Principle: Consistency

Consistency is the missing link in spiritual growth. For fear of legalism, Christians have shied away from disciplining themselves for the purpose of Godliness. It should be maintained that God is the one growing us through the work of the Holy Spirit, but as James says, “as we draw near to God, he draws near to us.” Human responsibility in the growth of the believer must not be neglected. Work hard to spend time in fellowship with God through reading the Bible every day.

Model for a Quiet Time

Date:

Biblical Passage:

**Pray and ask God's blessing on your time with Him.
Ask Him to speak to you.**

1. Know God: Read the passage and ask, what does this passage mean? Write it below.

2. Love God: *How does this passage help you praise/ worship God?* This is your time to interact with God, specifically what God has said in His Word. This can also be a time just to fellowship with God about what's going on in your life. Just talk to God!

3. Obey God: *How should you live differently in light of this passage?*

Prayer Requests: Just don't list your requests, but give specific things you are praying about. For example, just don't write "mom" or "brother." Write down specifically what you would like God to do in a situation "mom- find a job" or "brother- do well in school."

* This can take half a page, or 3 pages. Different days will bring different amounts to be written. Do not worry about how much you write, but rather strive to be in a mode of consistently spending time in the word, praising God and applying what you learn.
